

A walk in Basel in the footsteps of C.G. Jung

Using the tram 8 to Kleinhüngen , we will visit the area around the property and the church that belongs to C.G. Jung's childhood and his school days. Once more using the tram 8, we will see the Münsterplatz where Jung's schoolhouse was situated and visit the Basel Cathedral as well. After a break, we will walk to St. Peter's Square. Finally, we will 'explore' the Kohlenberg and Barfüsserplatz. During the tour, references to Jung's "Memories, Dreams, Reflections" will be constantly drawn. You will certainly enjoy the city of Basel, which is full of medieval and contemporary architecture.

Trams (8 and 11) run from Barfüsserplatz to the train station for returning to Zurich.
